**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer who supports a competitive utilities environment? Including broadband. Competition keeps prices in check. Im afraid that if only one or two broadband companies are left, not only will prices hike; lack of competition will make them complacent in detriment of the service offered.
